

Tasman Community Energy Efficiency Program

Helping increase energy efficiency in homes and buildings across the Tasman Municipality

Saturday 31st May

Home Energy Tips

with Sustainable Living Tasmania

10am at the Tasman Community House, Main rd Nubeena (next to the service station)

Join Anton Vikstrom, Energy Program Manager of Sustainable Living Tasmania and Mike Wilson, a Home Sustainability Assessor for techniques to identify where energy is used in the home and low cost methods for reducing your energy bills and staying warm this winter.

Following the presentation will be a chance to have a one on one chat with these energy reducing experts whilst enjoying a light lunch.

10am—1pm

Cost—Free

Enquiries—Tasman Community House 6250 2118

Stay warm, save money, reduce energy use!

This activity received funding from the Australian Government as part of the Community Energy Efficiency Program
